

Canadian Girls Rodeo Association Sponsorship Package

We would like to take this opportunity to present to you our sponsorship package for your consideration in support of the Canadian Girls Rodeo Association Finals. It is only with sponsorship such as yours that we are able to continue the CGRA Finals, the oldest Association still going today, established in 1957 and celebrating our 65th year as an Association.

The values and traditions of our Association comes from the growth of our youth, they will be the future of rodeo. Each of our members, through hard work and determination, work towards being apart of the CGRA Finals. The Finals represents the top athletes over the course of the season.

As in prior years we are looking for financial sponsorship to help with the expenses and prizes at our Finals. We sincerely thank you for your consideration of sponsoring and being a part of our 2022 Finals.
