

2023 Scholarship Application

In order to qualify for a CGRA Scholarship and receive funding, you must have proof of secondary education by providing a receipt that states you have paid for your education. This scholarship is open to any female obtaining a secondary education. Any female is eligible to apply for three scholarships over the course of times.

A committee of C.G.R.A. Alumni members select the C.G.R.A. Scholarship recipients. It is felt that these individuals are non-biased since they have been away from active participation in the Association for several years. The C.G.R.A. Scholarship committee decisions will be based solely on the information provided by the applicant. The C.G.R.A. Scholarship committee decision is twofold:

1) How many scholarships will be awarded.

2) The dollar amount of the scholarship:

The financing for scholarships is determined by the percentage of funds accumulated by means of casino and bingo revenue in the previous year. Any member in good standing may apply for a scholarship provided they meet the criteria listed below. The scholarship can be applied toward a college/trade or post secondary educational institution, online and correspondence courses.
